Don't Forget!
SUNDAY APRIL 11TH
SAHALLIE ILLAHEE AND IBACH PARKS
INVASIVE PLANT REMOVAL AND OTHER ACTIVITIES

Thanks to all who have been attending the events at the parks. Please join us in restoring the habitat in this beautiful community park. We remove invasive plant species, plant native plants, and maintain the trails in the park.

Sahallie Illahee Park (along with Ibach Nature Park) are 5.5 acres of forest land and play ground structures. We have been working to restore the park habitat now for a couple years and thanks to community volunteers we are seeing excellent progress. We can provide gloves and tools but you are welcome to bring your own. We also provide snacks and soft drinks and water.

Please dress for the weather in long sleeves and pants, and wear sturdy, closed-toe shoes. Please come wearing a face covering. Meet at Sahallie Illahee Park, [4300 Horton Rd. West Linn, OR](#).
